พลิกโฉมการผลิต ด้วย **Smart Manufacturing**

A graphic featuring the letters "IOT" in a large, white, sans-serif font. The letters are centered over a glowing blue globe. The globe is surrounded by a network of white lines connecting various blue circular nodes, representing an Internet of Things (IoT) network. The background is a blurred image of a person's hands holding a smartphone, with various digital icons like a laptop, a tablet, and a server rack overlaid in a blue, semi-transparent style.
